Parents can attend the meeting in-person if they choose, but must follow the facility safety and sanitary protocols. We therefore ask that only one parent attend for each potential A5 player, and that returning families consider helping us limit the number of in-person participants by viewing via live stream or viewing the recorded presentation on our YouTube channel.

In-person meeting details:

- Please arrive prior to the 6:30 presentation start time.
- The meeting will occur in the ballroom as directed upon arrival.
- Masks will be mandatory for ALL attendees, along with temperature checks and social distancing.
- After the meeting, parents will be given a quick tour of our new world-class 13-court gym.

We hope to see you there! Thanks,
