Coaching Experience

2019-2020 head coach of A5 10-2 Team

2019 served as head coach of a middle school volleyball team which was under the direction of Lori Reynolds, a former A5 volleyball coach in the boy's volleyball program. In previous years the team enjoyed a 10-15% winning season but at the end of the 2019 season we were at a 55% win-loss ratio which was much higher than anyone had expected.

2018-2019 served as a co-coach to a 13s 14s beginner team at another volleyball club.

2016-2018 served as a parent volunteer coach for my daughter's middle school teams.

Playing Experience

Through the 80s 90s and the early part of the 2000's, played on 2 club teams that were members of the old USVBA program., 10 years with a club based out of Nashville Tn, and about 8 years with a team based out of Atlanta Ga., On the court played as a strongside hitter and middle back. During the same time period competed in 2 man sand tournaments with my partner (we were together of over 15 years), We competed in tournaments located in the Southern region, Florida, areas up the east coast to New Jersey, tournaments around the Great lakes area, and down through Ohio and Kentucky. In the outdoor tournaments I competed in the Open divisions and in the indoor club season played in the AA division.

Employment

Through the 80s owned and operated a renovation addition and remodel company. In the first part of the 90s partnered with some appraisers to do residential appraising. From the middle 90s to the early 2000's worked with an office supply company to sell and service office equipment.

Personal

Spend most my life outside of Nashville Tennessee. In my late teens to early 20's served a 2-year full-time mission for my church. Shortly after returning met and married my wife of almost 25 years. During this time period served for over 10 years in the boy scouts of America in many different leadership positions. My wife and I currently have 5 daughters the oldest two are currently playing in the A5 club and the next three are waiting for their opportunity to hit the courts.
